## INSTRUCTIONS TESTIMONIAL TEMPLATE

It is mandatory to provide **at least one end user testimonial** per project output. Additional testimonials are optional, such as testimonials about the impact of your project and lessons learnt, from project actors, key stakeholders and/or programme bodies.

Examples of points you may cover:

- Impact of the project on the daily work in the partner organisations
- Success factors, mistakes and important lessons learnt
- Analysis of the overall project performance
- Impact of the project on the quality of life of the citizens in the NPA area
- Impact of the project on policy decisions and initiatives at the local/regional/national or international level
- Advice to future project managers
- Analysis of the partnership dynamics
- Analysis of the project's communication performance

For each person providing a testimonial, please mention their name, organisation (in English) and country as well as their connection to the project.

Please complete this template electronically and upload it together with the relevant project output and/or the 6<sup>th</sup> Project Report Attachments in eMS.
