

Recruit & Retain - Making it Work

Northern Periphery and
Arctic Programme
2014-2020

EUROPEAN UNION

Investing in your future
European Regional Development Fund

Joint challenge:

1. Demographic development = lack of healthcare and care professionals

Joint solution

1. A joint collaboration to develop a framework for workforce stability
2. Applied in development, such as
 - Emergency care in sparsely populated areas (SK-course)
 - GP for remote and rural areas (6 months)
 - 5th track - Umeå University medical school

Empowering Communities & Building STEM Skills for the Future using the STEM Learning Ecosystems Model

- Community-Based
 - what's there
 - strengths, values & visions
- Bottom-up Approach
 - teachers, students, public
 - hands-on & relevant STEM experience
- International Community of Practice
 - what works
 - 100+ ecosystems
- Successful Model
 - across-sectors
 - 10 years of experience
