

1 WHERE IS THE INTERREG NORTHERN PERIPHERY AND ARCTIC?

The programme partner countries are the EU Member States of Finland, Ireland and Sweden and Non EU Member States Faroe Islands, Greenland, Iceland and Norway.

Interreg funding makes it possible for organisations to work together where other forms of cooperation do not exist.

2 WHY DO WE NEED INTERREG AND INTERREG NPA?

Interreg is part of the EU's tools to help regions and cities achieve their potential by working together across borders, different sectors, and levels of government.

3 WHAT DOES INTERREG NPA OFFER?

Interreg NPA offers funding and support to organisations who have an idea how to improve the living and working conditions of people in remote areas, their well-being and environment they live in now, and in the future.

4 WHO CAN BE INVOLVED IN INTERREG NPA PROJECTS?

Organisations from the public and private sectors can participate in Interreg NPA projects and receive financial support.

5 HOW DOES TRANSNATIONAL COOPERATION WORK?

It all starts with a common problem, then one organisation reaches the other and when the partnership is in place, they work together on a joint solution. The results are available to everyone and for free.
