

Admissibility and Eligibility

Online webinar, 11th November 2025

Interreg

Co-funded by
the European Union

Northern Periphery and Arctic

Admissibility

- Are obligatory annexes signed and attached to the application form, such as Lead Partner and partner statements.
- Are all applicable sections of the application form correctly filled in and in English?
- Is the information presented in the application form and in the annexes consistent?

Eligibility

- Does the project partnership meet the minimum criteria for geographical coverage for the project type as outlined in the call Terms of Reference?
- Is the Lead partner an eligible organisation within the NPA programme area or does it have a national remit?
- Are all project partners eligible organisations?
- The project duration meets the criteria for the project type as outlined in the call Terms of Reference?

Eligibility

- The project budget size meets the criteria for the project type as outlined in the call Terms of Reference?
- The Lead Partner has selected three mandatory cooperation criteria?
- Has the project applicant indicated that the project consortium will adhere to the horizontal principles?

Thank you for listening!
